www.intco.cn

Intco Framing is a United States solely invested company in China. We are a professional manufacturer & exporter of polystyrene mouldings & wall decoration products like photo frame, picture frame and mirror frame. 90% of our products are for overseas markets. The characteristics of our products are on the recycling of the plastic scraps & materials. We are making scraps into fancy wall decor products by applying the high-tech, which was certificated as "Environment-Friendly" by government.

ABOUT US

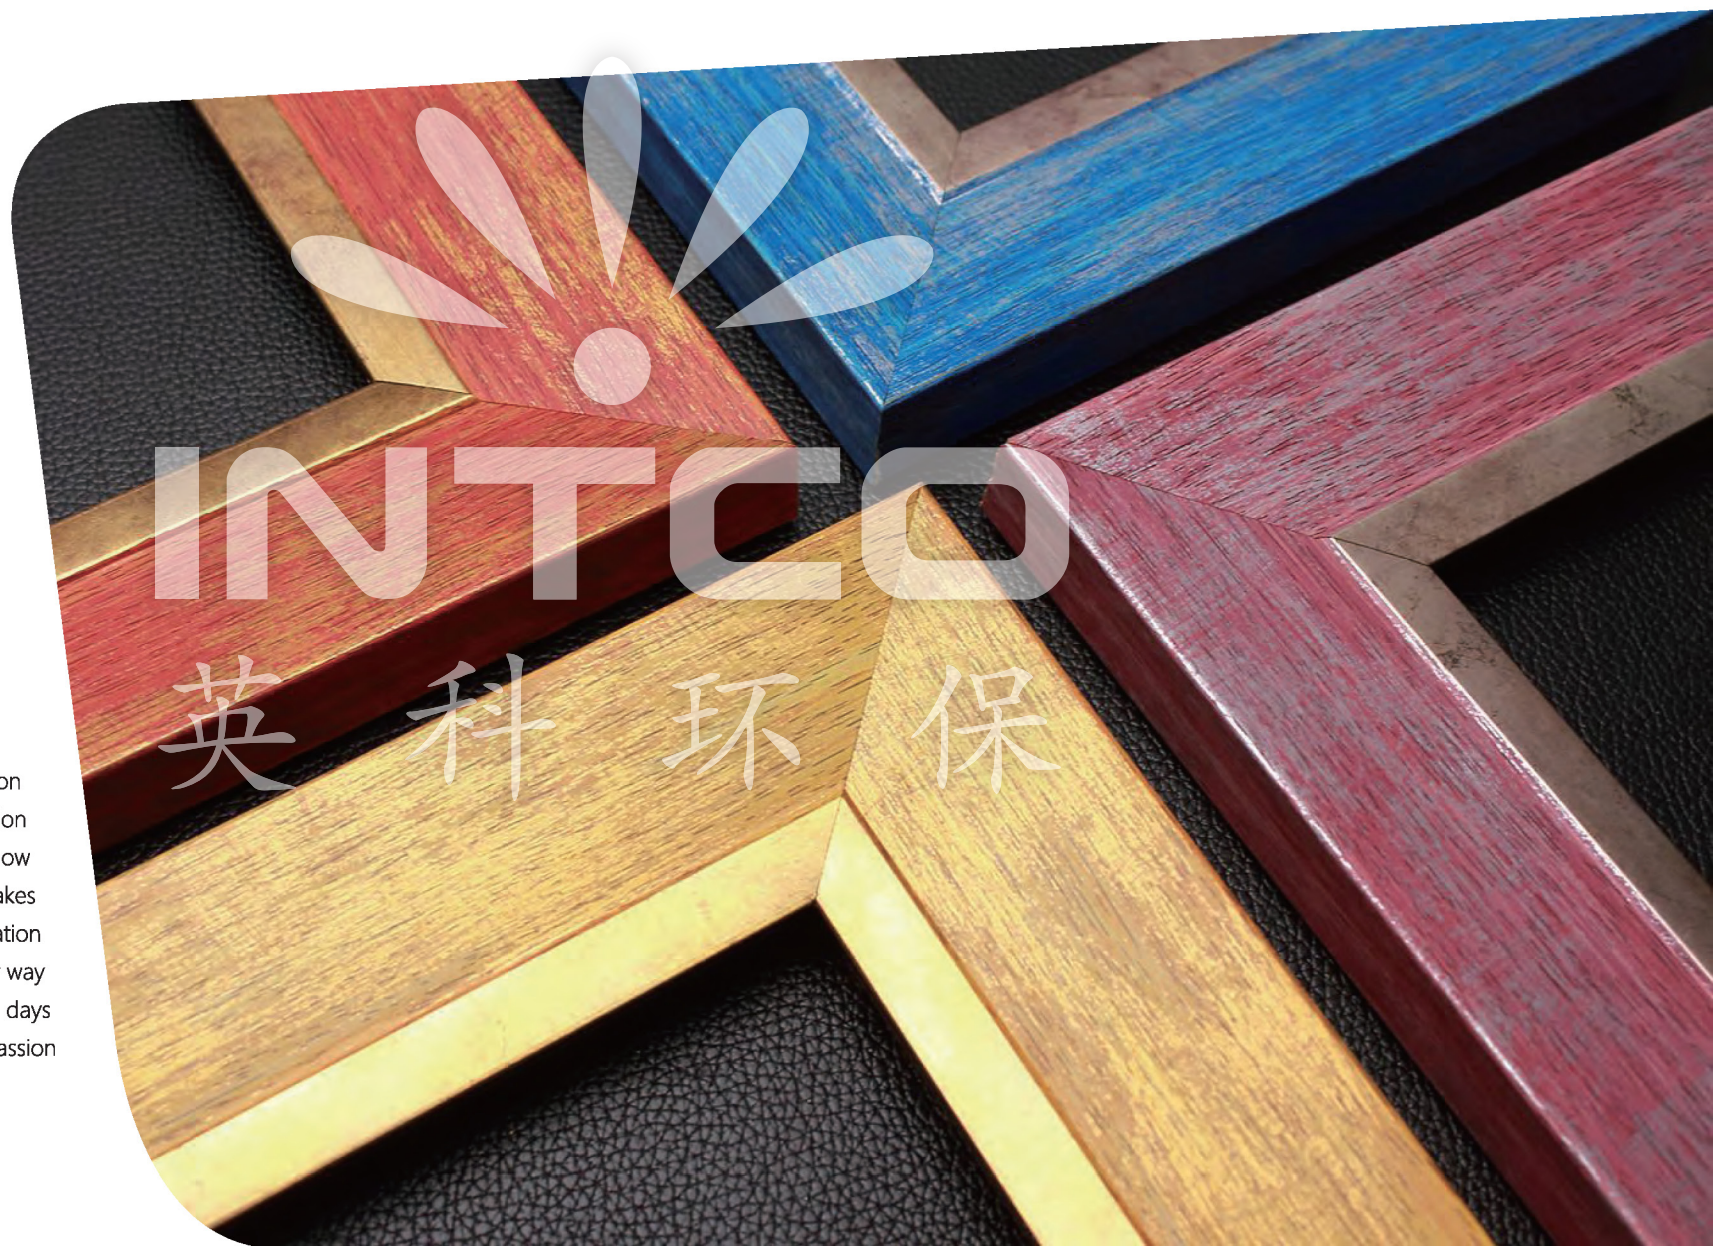

Intco Recycling Resources is a leading company in the industry of EPS waste foam Reduction, Recycling and Reuse. It is specialized in collecting, recycling and reusing of EPS waste foam for over 10 years. All these waste materials are successfully reused to produce polystyrene moulding and framing products, such as photo frame, picture frame, mirror frame, skirting moulding, crown moulding and outdoor flooring. Based on the uniqueness of the wood-like looking and the competitive cost, it is growing to be a best replacement material of traditional wood moulding and frame, widely applied and welcomed in home decoration industry of the world-wide.

Since Intco Recycling Resources coming to China, it has been committed to promoting environmental protection, health and safety concept of life. Every year, Intco collecting, recycling and reusing huge tons of EPS foam waste and successfully making into PS moulding by its advanced equipment and technology, which equals to save lots of trees a year. The innovation and the concept of transforming the "White Pollution" into wall decor products have been awarded by many national government and environmental associations in China.

MACHINERY

The large vacuum table workspace, combines with a new clamping system, not only provides incomparable working flexibility over a wide range of materials but also provides the user with unparalleled accuracies to meet today's production challenges.

Features

Mat optimisation layout feature for efficient cutting of varied mat sizes

Limitless possibilities-unleash your creativity

Increase your productivity

Most affordable, full-featured vacuum CMC available

The best cutting speed in its market segment

Ideal for matboard cutting, boxes & displays, contour cutting & signage, embossing, sticker & cutting gaskets

High resolution camera for crop mark detection
