

Company Profile

Founded in 1998, Intco Framing has become one of the largest moulding and frame manufacturers in the industry.

We consistently provide outstanding value and industry-leading selections of the most popular styles and finishes. With over 100,000 styles offered, and hundreds of new styles added each year, Intco Framing has established good reputation with creative designs and premium quality products.

Intco is always satisfying your needs with on-time delivery, stable quality and global services to guarantee our mutual success.
